

KIDS' TURN FAMILY WORKSHOPS

A co-parenting program for separated, divorced and never married families

“ I wish we would have attended this program when we first got divorced. Everything would have been so much easier and our kids would've had a much easier time. Well worth the time and money!

-Parent, program graduate

“ I used to feel sad about my parents' divorce before we came to this program. I learned that there are lots of kids just like me and I feel so much happier now. My parents learned a lot too and they are getting along a lot better!
